During my time at Carver, I have taught in almost all courses we offer, lead professional development sessions for my school and the district, been nominated for teacher of the year twice, nominated for Aldine Inspire, served on numerous committees, and provided outstanding educational opportunities for all students I have had the honor to serve.

### **Aldine AFT**

I just finished my 8th year of teaching at Carver and have been a member of Aldine AFT for the past four years. It is an honor to be nominated and to be able to run for the position of Vice President of Aldine AFT. My goals are to champion the rights of my fellow Aldine AFT Union members, their families, their students, and our communities. I will push for better economic opportunities for all, affordable healthcare, student loan assistance and forgiveness, active communication and Union events, and transparency. I will serve our Union by providing my drive, passion, dedication, education, organization, and tech savviness.
